THE TWO FASTEST PATHS

Tradewinds Marketplace

Buy from a pre-vetted shelf.

Saves you: the competition step. Solutions are post-competition and ready to award.

Find Alpha Omega's readily-awardable AI-driven solutions — spanning Continuum Design, Code, and Connect — in the DoW's CDAO Tradewinds Solutions Marketplace. Any .gov / .mil buyer can browse, request a demo, and procure directly. Search by company Alpha Omega Integration.

SBIR Phase III

Skip the competition entirely.

Saves you: the entire solicitation cycle. No RFP, no J&A.

Alpha Omega holds an active SBIR Phase III award for cybersecurity, delivered through Continuum Secure. Phase III work is non-competitive by statute, so your CO can issue a direct, sole-source award — any agency, no dollar ceiling, often in under 45 days.
