

The Fast Path to Federal Procurement.

The fastest ways to put Alpha Omega to work on your mission — without the wait. Alpha Omega already holds the vehicles that let your contracting officer award directly. Here's how to skip the line.

TRADITIONAL AWARD
12–18 months

WITH ALPHA OMEGA
Under 45 days

THE TWO FASTEST PATHS

Post-Competition Marketplaces

Tested & Proven Awardable by the DoW.

Saves you: the competition step. Solutions are post-competition and ready to award.

Find Alpha Omega's readily-awardable AI-driven solutions, spanning Continuum Design, Code, and Connect, in Platform One and Tradewinds Solutions Marketplaces. Government users login, browse, request a demo, and procure directly via your vehicle of choice.

SBIR Phase III

Accelerate the path to award.

Saves you: acquisition lead time by leveraging SBIR Phase III authority rather than starting a new competition.

Don't spend months running a competition to buy something the market has already proven. When mission needs build on prior SBIR-funded tech, you can leverage SBIR Phase III authority to move solutions into production - Faster.
