

Find Alpha Omega Solutions on Tradewinds

— and Award without a competition.

The Tradewinds Solutions Marketplace exists to save you the competition step. Every solution on it is post-competition and awardable — once you find the right fit, your organization can engage the vendor and procure directly, with no new solicitation required. Here's how to find Alpha Omega and start the conversation in minutes.

WHAT IS TRADEWINDS?

Tradewinds is the Department of War (DoW) Chief Digital and Artificial Intelligence Office (CDAO) marketplace of short, pre-vetted solution pitch videos for AI/ML, data, and analytics.

Already Vetted — Post-Competition & Awardable

Every solution carries an evaluation heatmap and scoring — the vetting is already done, so you skip the solicitation cycle entirely.

OUR THREE SOLUTIONS ON TRADEWINDS

Search **"Alpha Omega Integration"** to surface all three at once — or search a solution number below.

CONTINUUM DESIGN

Sol # 6-26-2731

AI Modeling — Concept to Prototype in Hours

Captures processes and generates requirements, architecture, documentation, code, and working prototypes.

[View on Tradewinds →](#)

CONTINUUM CODE

Sol # 6-26-2759

Legacy Code Modernization with AI

Automated modernization and refactoring that cuts cost and time. Awardable since 2024; in use by the U.S. Air Force.

[View on Tradewinds →](#)

CONTINUUM CONNECT

Sol # 6-25-0705

Process Automation in DoD at a Fraction of the Cost

Automates data mapping, migration, and governance — secure pipelines without replacing existing systems.

BEFORE YOU START

You'll need a **.gov** or **.mil** email

Access is limited to government users, so registration and browsing on Tradewinds require a government email address.

FIVE STEPS TO AWARD

1

Create your account / log in

Go to tradewindai.com and register with your .gov or .mil email. Approved users get access to browse all awardable solutions.

2

Search by company or solution number

Search **Alpha Omega Integration** to surface all three at once — or a specific solution number: 6-26-2731 (Design), 6-26-2759 (Code), 6-25-0705 (Connect).

3

Review the solution and heatmap

Watch each ~5-minute pitch video and review the evaluation heatmap and scoring attached to every awardable solution — your at-a-glance confidence check. The vetting is already done.

4

Request a demo or more info

Contact Alpha Omega through the Marketplace — or at info@alphaomega.com — to ask questions or request a live demonstration. No formal RFP needed to start.

5

Move to award

Because the solution is already awardable, your CO can engage, negotiate, and procure directly. Purchasing-process questions go to the Tradewinds acquisition support team at success@tradewindai.com.

WHY BUY ALPHA OMEGA THROUGH TRADEWINDS

**Skip the solicitation**

Pre-vetted and post-competition — you avoid the solicitation cycle and move straight toward award.

**Direct line to our team**

Reach us through the Marketplace or directly for demos and mission-fit questions — no gatekeeping.

**Need Cyber?
Ask about SBIR**

Our SBIR Phase III vehicle is another no-competition path to award for cybersecurity work.
